Redding, CA -- The Shasta Library Foundation is pleased to announce that “**A Novel Affair with Harry Potter**” will be held on September 28, 2019 from 6-9pm at the Redding Library. This annual fundraising event brings in crucial support for the Shasta Public Libraries.

This year, the library will be transformed into Hogwarts School of Witchcraft and Wizardry, with magic, potions, beasts, and broomsticks. Hogwarts uniforms and costumes are encouraged, but not required. Enjoy a buffet dinner and no-host bar, with several opportunities to contribute to library operations through silent auction, raffles, and games. The new Children’s Garden will also be revealed.

Sponsorship opportunities and tables are still available at a variety of levels. Contributions can be made online or by calling 530-246-0146.

The Shasta Library Foundation provides critical support to the Shasta Public Libraries resulting in free programs, resources, and services available to the adults, children, and youth in Shasta County. Through fundraising, advocacy, and innovative programs, the Shasta Library Foundation strengthens the Shasta Public Libraries and promotes greater awareness of its valuable resources.
